4. One Day National Seminar on “**The Impact of Digital Technology On Academic Libraries**” organized by Koshys Institute of Management Studies, Bangalore in association with K.S. School of Engineering and Management, Entrepreneurship Development Institute of India, Bangalore on December 28, 2016. The resource persons is **Dr.Vigneshwar Bhat**, Director KGI Bangalore

The objective of the program was

Many academic libraries are actively involved in building institutional repositories of the institution's books, papers, theses, and other works which can be digitized or were 'born digital'. Many of these repositories are made available to the general public with few restrictions, in accordance with the goals of open access, in contrast to the publication of research in commercial journals, where the publishers often limit access rights. Institutional, truly free, and corporate repositories are sometimes referred to as digital libraries.

5. One Day National Seminar on “**Trends For International Business In New Era**” organized by Koshys Institute of Management Studies, Bangalore in association with Government of Karnataka, Visvesvaraya Trade Promotion Centre, Bangalore on December 28, 2016. 6. Two Day National Workshop on “**Digital Marketing -A Necessity for Entrepreneurs**” organized by Koshys Institute of Management Studies, Bangalore in association with Novel Research & Development India (P) Ltd, Entrepreneurship Development Institute of India, Bangalore on November 11 & 12, 2016. The resource persons was **Dr. Janardhanam**, Head of the Department in Canara Bank School of Business, Bangalore University

The objective of the program was

Encourage these conversations through their social media channels to have direct contact with the customers and manage the feedback they receive appropriately. Word of mouth communications and peer-to-peer dialogue often have a greater effect on customers, since they are not sent directly from the company and are therefore not planned. Customers are more likely to trust other customers' experiences. It is increasingly advantageous for companies to use social media platforms to connect with their customers and create these dialogues and discussions.
